Rampant

By Diana Peterfreund

Astrid always scoffed at her eccentric mother's stories about killer unicorns. But when one attacks her boyfriend—ruining any chance of him taking her to prom—Astrid must head to Rome to become a unicorn hunter. But in Rome all is not what it seems. While unicorns prepare to attack, Astrid must also face other, unexpected threats, from bone-covered walls that vibrate with power to the hidden agendas of her fellow hunters to—most dangerously of all—her own growing attraction to a handsome art student...which could jeopardize everything.

Suspenseful, romantic, and witty, *Rampant* is Diana Peterfreund's exciting YA debut.

Praise for *Rampant*:

"As swift and sure-footed as a killer unicorn, *Rampant* weaves a vibrant new mythology from venerable threads."—Scott Westerfeld, author of *Uglies*
