A chilling tale that School Library Journal called a "fast-paced survival story" in a starred review, from the acclaimed and award-winning author of Skeleton Man

Bearwalker

By Joseph Bruchac
 Illustrated By Sally Wern Comport

Baron has never believed in the Native American legends about bearwalkers—bloodthirsty combinations of bear and man. But on a class camping trip deep in the Adirondacks, he comes face-to-face with an evil being that is all too real.

Joseph Bruchac's retellings of Native American legends have earned him rave reviews and multiple awards. Filled with thrilling suspense and heart-stopping action, *Bearwalker* is perfect for middle grade readers who love a good scare.
